## VISION

"To be Australia's premier Surf Life Saving Club, servicing the community through a safe beach. With exceptional training and education programs from youth to elite in a fun, family friendly, welcoming and professional environment."

## MISSION

"Zero preventable deaths on Kurrawa Beach."  
~This mission aligns with Surf Life Saving QLD.

## MOTTO

ONE CLUB | ONE KURRAWA

## CORE VALUES

### PROFESSIONALISM

Striving for excellence in everything we do

### RESPECT

For ourselves, our fellow members, our community and our history

### LOYALTY

Being committed to each other and the Club

### INTEGRITY

Doing what is right

### TEAMWORK

Working together with respect, trust and a sense of collective purpose

# NOTICE OF ANNUAL GENERAL MEETING

Notice is hereby given that the 65th Annual General Meeting of Kurrawa Surf Life Saving Club Incorporated will be held on 27th August 2023 at the Club.

## ORDER OF BUSINESS

1. Recording of attendance and apologies
2. Confirmation of the previous Annual General Meeting Minutes
3. Presentation and adoption of the Annual Report and Financial Statements
4. Election of Directors
5. Election of Officers
6. Election of Vice Presidents
7. Endorse Junior Activities Committee and Old Boys Committee
8. Endorse/Elect Finance, Building, Social or any other Committees
9. Election of Life Members (if any)
10. Endorsement of Branch Councillor (Club President)
11. The motion for affiliation with the Branch, SLSQ and SLISA
12. The motion recognising the affiliation of the Association's Supporters Club
13. The appointment of the Auditor's for the present financial year
14. Notices of Motion
15. General Business

**VALE**

*The President, Club Officers and Members extend their deepest sympathy and respect to the families and friends of anyone connected with our Club who may have had a bereavement during the past year.*

# President IAN MCKINNON

This season our Club has successfully performed their primary function of providing a safe beach experience for the Broadbeach and Gold Coast beachgoing community.

Thank you to all our members for their respective contributions so as our beach has zero preventable deaths during the patrol season. We performed 9,480 volunteer hours and 21 rescues on our beach. This is a credit to all patrolling members.

- The Nippers form the foundation of our Club and the nippers section continues to grow in numbers. Congratulations to Shayne Bikneris, the Junior Activities Committee, Trainers, Age Managers, and water safety on another successful season.
- I would like to acknowledge the contribution of all our athletes. The Club thanks them for their dedication and professionalism.
- I would also like to acknowledge the contribution of all our Surf Sports Officials, IRB Drivers, and water safety personnel. These members devote many hours and are critical to the Club being able to compete in surf carnivals throughout the season.
- I would also like to thank all Club staff and Coaches. Our Club staff and coaches are critical to the Club goal of zero preventable deaths at Broadbeach. On behalf of our membership, I thank you for your service.
- I thank Stewart Palmer and the Supporters Club Board of Management for their continued financial support. We have a sound working relationship with the Supporters Club Board. I would like to personally thank them for their ongoing support particularly during the challenges presented by COVID-19.
- Lastly, I would like to thank each member of the Surf Club Board of Management for their respective contributions.

Another season completed and what a great Club to spend it in.

A big thanks to our staff in the office that make seamless administration of Kurrawa their goal. The team continues to push on with new ideas and ways of making dealing with all the rules and policies we must contend with and adhere to just that little bit easier for our members.

All staff members are valued, but I must make mention of Nick Crilly our Operations Manager and the glue that held the office together. Nick has provided incredible and valued support to the management team. He left his role at the end of this season to pursue more in his business. We hope to continue to have use of his event organisation skills as our liaison with some big events choosing to use Kurrawa Beach in coming seasons. I would like to personally thank him for all he did to make our roles easier.

Simone, Karen, Maddy and Rob will continue to run the administration functions of the Club, with Simone now in the role of Office Manager, congratulations to her. Simone has shown to be more than capable over the last couple of years, so we are very happy that she accepted the role.

To Katie, Garry and the patrol captains, well done on a great season doing what the Club is all about – keeping the beach safe.

To all our competitors that have represented us, congratulations on your achievements.

The IRB team have just finished their season with outstanding results, and it was great to see our Kiwi friends join up and race again.

Thank you to the Supporters Club Board who continue to provide the support for the Surf Club – with all the plans and changes to the club it is exciting to see the transformation that is coming.

My thanks to the Board who provide robust discussion on the best way forward. I know that every member puts their time in to make sure that Kurrawa continues to be the best Club for its members.

Club Captain

KATIE WATTS

Yet again, another season has come to a close. It has been an honour and privilege to be your Club Captain for this great Club. I love being involved in every aspect of the club and as Captain, this role allows me to be part of all our club related activities. This year has provided a range of challenges in a post COVID world and as a lifesaving team we have done our best to work through these, to ensure a positive outcome has been reached for our Surf Club and our members. This season has generally been a highly successful and productive one. We are in a great position with gear for next season winning a few grants and allowing us to replace boats, motors, and lifesaving equipment, which all play a vital role in keeping us and the community safe.

I would like to thank all our patrol captains, patrolling members and long service patrolling members who put on the red and yellow uniform and give up their time to keep our beach safe throughout the season. Yet again another year with no deaths between the flags at Kurrawa Beach. A HUGE thanks to each and every one of you.

With tourists flocking back to our beaches as borders re-opened, it was a busy summer for our patrol teams. Please find below a small snippet of some of our amazing stats over the 2022/2023 patrolling season.

- 9,480 Volunteer Patrol Hours
- 71 First Aid Treatments
- 21 Rescues

Finally, I would like to say what a great feel the Club has at the moment. I'd like to thank both the office staff and management team, and all those who work behind the scenes. Without all of you and the countless hours you put in and all the personal sacrifices you all make, the Club wouldn't function at all, so again, thank you.

It's great to come down to the club every day again and see all those faces who, as a team, make up Kurrawa SLSC. Thank you to everyone who has supported me, believed in me, and made my job a little easier.

## Surf Sports Officer

# SCOTT WHEELER

The 2022/2023 season was the first relatively "normal" season we have had in a couple of years and what a great season it was.

Our 2022 pool rescue and IRB competitors had a full season of racing during the winter, and they really made up for all the cancelled carnivals from previous years!

Coached by Steph Wilson, our pool rescue team came home with impressive results across their carnivals and finished strong at the Pool Rescue Australian Championships in 9th place overall.

The IRB season saw Kurrawa become 2022 Australian IRB Championships, winning the open category with 3 Gold, 2 Silver and 1 Bronze medal. As a team we achieved the Ocean Roar Premiership and placed second (by 2 points) in the Sharkskin QLD IRB Championships. We also saw 9 of our team represent QLD in the Cyclones and Development team in the Interstate Competition held at the Australian IRB Championships. Thank you to all involved in helping us achieve such successful results.

We sent a small crew of 14 masters competitors to the 2022 Lifesaving World Championships in Riccione, Italy in late September and between them they brought home an impressive 20 gold medals! Representing Australia at Worlds was our beach competitor Britney Ingr who, at just 16 years of age did incredibly well bringing home an individual gold medal in the Youth Female Beach Sprint and two team gold medals.

In 2024 the Lifesaving World Championships will be coming to the Gold Coast with events to be held at Kurrawa Beach, we look forward to welcoming competitors from around the world to our beautiful beach.

A large group of Kurrawa members travelled across the country for the 2023 Australian Championships. 2018 was the last time we were in Perth for Aussies and we wouldn't have been able to get there again without the help of a truck from Nolan's Transport being driven by Brent Coulston and Jim McInerny under the guidance of Kenny Coulston and Paul Crow. These four guys got all our gear to/from Perth safely and we appreciate them doing the long-haul drive across the Nullarbor for us. Thank you! From all reports, 2023 Aussies was a fun, positive experience, and a trip to remember. Huge thanks to our Team Manager extraordinaire Dave Bear, he kept our team informed, organised and happy throughout the event. Thank you to those people who drove the buses daily to ferry people to/from event arenas and everyone else that pitched in to make it a successful trip for all involved. Kurrawa bagged 16 Australian Gold Medals in Perth across the Opens (9th overall) and Masters (3rd overall) events.

We welcomed Guy Andrews as the new Head Coach at the beginning of the season and he has been an incredibly positive addition to the Club. Guy ran a successful program throughout the summer surf season resulting in some excellent results in the water and fantastic morale throughout the crew. In the off season he changed the program up to include ocean paddle races, mountain bike endurance races, ParkRun and plenty of sessions at different locations across the Gold Coast to keep the crew active throughout the colder months.

Thank you to Craig Sly who stepped down as Head Junior Coach at the end of the 2022/23 season. Craig achieved outstanding results whilst coaching our nippers and we saw an increase in numbers in junior competition over the last season.

Thank you to all our surf sports officials, who spend hundreds of hours of volunteering to allow our competitors to do the sport we love. Thank you all for volunteering for Kurrawa. A big thanks to all our helpers, parents and workforce who have helped Kurrawa out this year. The work everyone puts in gets great wraps from people all over Australia. The surf sports events we have run this season has helped put Kurrawa back on the map as the preferred venue for major SLSA events.

Finally thank you to Nick Crilly. Nick's guidance and leadership in surf sports and operations over the last few years has helped Kurrawa become the Club we are today. Nick thank you for all your help personally over the last 12 months, you have certainly had an impact on me and I am grateful to call you a mate.

Thank you to the BOM for your support in the great achievements Kurrawa have had this year.

See you all on the beach.

## TEAM OF THE YEAR

### Open Female Beach Relay Team

Britney Ingr, Emily Carty, Olivia May, Tahli Devine

# Members Representative

## DAVID BEAR

**"Alone we can do so little; together we can do so much." – Helen Keller**

Congratulations to all the members that make up the Kurrawa Surf Life Saving Club. Thank you to all the committees and sub-committees and the Supporters Club who worked tirelessly to make the 2022/23 season the successful season that it was.

Kurrawa's vision to be Australia's premier Surf Life Saving Club, servicing the community through a safe beach with exceptional training and education programs from youth to elite in a fun, family friendly, welcoming, and professional environment, is confirmed.

Our club membership places us in a very strong position. Kurrawa welcomed 380 brand new members this season. We saw a 14% increase in our active membership from the previous season, and this is quite significant in a time where seven of the clubs in our branch saw no change or a decrease in their membership.

One of the ways that our club has met the challenge of retaining youth members was by enlisting the aid of Youth Development Officer, Oliver (Ollie) van Eck. Ollie made it his commitment to provide a supportive environment for our youth members and deliver a program of social events and outings to build unity and community in the group. Ollie enlisted the help of a team of mentors and chaperones without whom, his ideas could not have been delivered. The Board of Management and myself as Members Representative on the board, are grateful to Ollie and his team.

The appointment of Head Coach Guy Andrews served its purpose of providing a world-class surf sports program plus attracted a fine group of new members who joined to benefit from his tutelage. Nippers Coach Craig Sly delivered a highly effective training program to our youngest members and our representation at Nippers State Titles plus carnivals was among the best in the branch and the state.

This season we have been able to commit 15 patrols to watch over our beach and I thank our patrol captains for all their efforts and energy plus our patrolling members for their diligence and service, furthermore, thanks for your commitment to our motto of "zero preventable deaths on the beach".

Kurrawa is a busy organisation with plenty happening. This season, there was no shortage of quality events for our members to engage in all year long. Here is an incomplete list of just some; pool rescue, IRB racing, beach and surf sports training and competition, nippers Sunday program, nippers disco, education and training, youth camp, patrols and the barefoot bowls day.

I would personally like to thank my fellow board members for their support and guidance as well as the members who I have worked with throughout the season. I would like to thank my wife, Gabrielle, for her patience and assistance throughout what has been a busy year.

Finally, congratulations to all members for your hand in making the 2022/23 season the success that it was.

**2022 ANNUAL DINNER**

Chief Training Officer

**DIANA MARCHANT**

The 2022/23 season has been a busy one for education at Kurrawa. As CTO, I would like to acknowledge the support and dedication of our many trainers and assessors, Graeme Byrne, Andrew Leiner, Rob Pollock, Barb and Steve Leslie, Brooke Crosse, Craig Ansell, Mel Gerry and the many helpers (far too many to mention) that assist with courses and skills maintenance to ensure a smooth efficient program is provided. Thank you also to Melinda Jackson for delivery of very informative and interesting First Aid courses to our members and lastly our IRB drivers that assisted with the many IRB courses and water safety when required. With the help of these members, we held three successful proficiencies so as not to prolong the process plus numerous SRC and Bronze courses, IRB driver and crew courses.

We had many SRC training courses this season, to boost the water safety for our many nippers. Our Bronze courses were essential to put through those that needed to achieve this for competition.

Both Graeme and I have been progressing with our Certificate IV for training and assessing, I can now say that I have successfully passed my Certificate IV after studying for the past three years.

A big thank you to Rob Pollock for his administration skills with the endless paperwork for all courses and proficiencies.

A big pat on the back to all our Patrol Captains and patrolling members for a great, safe season on our beach, keeping our beach incident free with our preventive actions.

Keep up your fitness throughout the off-season, and I look forward to seeing you all on our beach next season.

**AWARDS GAINED**

Bronze	27	IRB Driver	9
SRC	38	IRB Crewman	19
Resuscitation	8	SSV	3
First Aid	60	Tractor	6
Observers	5

Brook Crosse	13	Gregory Moreton	43.5
Brooke Ward	29.5	Rob Pollock	55
Craig Ansell	19.5	Steve Leslie	16

## First Aid Officer

# CHERYL MACDONALD

A relatively great season in regards First aid at Kurrawa. Through the BSEF grant we were able to purchase a new soft Oxy-Viva for the Patrol trailer and hopefully we can get a second one for the SSV through the Local Government Volunteers grant in the 2023/24 season.

Our patrol members provided assistance to 71 patients with minor first aid treatment and treated another 72 patients for minor stings.

With thanks to Melinda Jackson and CTO Di Marchant, 59 members gained their first aid award which is huge boost to our patrol strengths. This takes the total number of Kurrawa members that hold the current First Aid award to 122 members which is great to see.

It was good to see members using the white board in the first aid room to advise of missing or out of date items so please keep this practice active in 2023/24.

Keep up the great work everyone.

# Surf Boat Season Report

## PETER MACKIE

### RESULTS-RESILIENCE-RELATIONSHIPS-RECOGNITION-DISCIPLINE-CULTURE

These six words look good written on the page. When you have a group of individuals that embrace the Culture we are building, those six words become a reality. I am so proud of all the members of Kurrawa Boat Rowers for their efforts to develop the above traits. We have had another challenging season, but the group buy in has been amazing to see. From the number and flexibility of rowers used to get crews on the water, to the workers doing the dirty work of the water and the support of the Surf Club.

The two best examples of the development of our section this season are our team trip to the ASRL Open at Bulli in a 20 seater bus and the QLD State Titles. The team connection, effort, encouragement, and support of each other at the State Titles was phenomenal and we came away with wins in the youngest and the oldest divisions.

Thank you to all the partners, families, friends, and coaches who support all of us through each surf lifesaving season.

We will continue to grow as a section and developing as surf sports athletes, lifesavers and good Kurrawa members.

#### KURRAWA OLD BOYS BOAT CREW

This was the 4th season for the Old Boys with their present members;

Rob Prior (Bow), Mark O'Connor (2nd Bow), Tony Peel (2nd Stroke), Ian Channells (Stroke), Gary McSkimming (Sweep)

This season we competed at most Gold Coast & Sunshine coast carnivals as well as a craft carnival at Woolgoolga. We had 3 carnivals we went to where the carnival was postponed due to the surf conditions. We got stronger as the season went on but didn't have many results due the fact we were competing in an "over 200" division and giving other crews years of head start. Our best result was in the QLD State Titles, where we were competing in our own age group, we came away with a gold, even though we were again against crews younger than us. We went over to WA for the Aussies, but again had crews younger than us to compete against, but came away with 5th, beating the crews our age. We are now the oldest crew still competing full time in Australia.

The Old Boys are already doing a day a week in the gym and should be back competing for Kurrawa again next season.

Gary McSkimming

Carer for the Old Boys Boat Crew

#### KURRAWA WOP (RESERVE GRADE MALE BOAT CREW)

Ryan Finter (Bow), Kerron Weston (2nd Bow), Tom Harris (2nd Stroke), Aaron Gage (Stroke), Dean Tobin (Sweep)

Unfortunately, due to personal commitments and the cost of travel, the reserve grade men and the under 19 female crews did not compete at the Australian Championships this year. All crews represented the club extremely well at carnivals with strong performances across the board along with handling at times some challenging surf conditions maintaining Kurrawa's strong position in the sport.

The boys performed well throughout the season regularly making finals but unfortunately were not able to match the speed in the flat conditions that presented at Mooloolaba for the State titles. In saying that the boys were strong in and out of the boats, helping out in patrols where needed and were prominent in a rescue early in the season saving a man's life before patrol was set up during a training session.

#### KURRAWA KASTAWAYS (U19 FEMALE BOAT CREW)

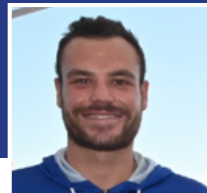

Hana McManus (Bow), Jade Karadag (2nd Bow), Lara McIvor (2nd Stroke), Lucy Garufi (Stroke), Dean Tobin (Sweep)

It is fair to say the girls had a turbulent season struggling to fill a crew through unrelated injuries and different commitments. It wasn't until after Christmas did we secure a fourth girl who was keen but had no rowing experience nor had her bronze. With 9 weeks out from the State we had to fast track her training, get her bronze and prepare for carnivals. The preparation was not a textbook approach but their first carnival at Maroochydore resulted in a sprint finish and 2nd place to the current Aussie champs, a good first start. The ASRL in Bulli showcased the girl's grit and determination making their presence known and muscling their way to the semi-finals against the Nation's elite. More training produced more confidence and at the States they weren't rated as a threat but again the girls dug deep and challenged every stroke against Queensland's best, winning in a photo finish to collect the gold medal. The girls then backed up the following day to race in the Reserve Female division and under duress raced exceptionally well to qualify for the final to place 6th against the women, a great effort.

## Youth Development Officer

# OLIVER VAN ECK

Throughout the 2022/23 season, we experienced a 15% increase in youth member numbers, indicating a growing interest and engagement within our surf club. This notable surge in participation showcases the effectiveness of our youth development initiatives and the appeal of our programs and training.

A significant highlight of the season was our trip with 25 nippers to Apex Camps Sunshine Coast. This immersive camp was centred around fostering team bonding, nurturing leadership qualities, and promoting personal growth. The experience proved instrumental in empowering our young members, as it offered valuable opportunities to refine their skills and cultivate enduring friendships with their peers. We are excited to make this an annual event.

In addition, I had the pleasure of taking 10 children to the Gold Coast Youth Ball at Currumbin RSL. This exciting event offered a memorable evening where our youth members could socialize and interact with their counterparts from other surf clubs. Such occasions not only promote camaraderie but also cultivate a sense of belonging within the broader surf life saving community.

Looking forward to the 2023/24 season, we are thrilled to announce the Kurrawa SLSC Cadet Program designed to engage, upskill, and foster a vibrant community environment. Our objective is to provide our young members with diverse group activities, immersive experiences, and valuable learning opportunities. Through this program, we aim to empower our youth to become future leaders and active contributors to the surf life saving community as a whole.

We would like to express our sincere appreciation to the Board of Management, the Old Boys Committee, and the Junior Activities Committee for their generous financial support throughout the season. Their contributions have been imperative in facilitating impactful and memorable experiences for our youth members.

Furthermore, we extend our heartfelt thanks to all our dedicated members, parents, trainers, water safety personnel, and administrative staff. Their unwavering commitment and cooperation have made my work both seamless and enjoyable. Together, we have created a nurturing and inclusive environment that enables our young members to flourish and reach their full potential.

In conclusion, the 2022/23 season has been marked by significant achievements in youth development at Kurrawa Surf Life Saving Club. We remain steadfast in our commitment to nurturing the next generation of surf life savers, and we eagerly anticipate the exciting opportunities that the upcoming season holds.

## Old Boys Chairman

# JEFF BIGNELL

I am pleased to advise that the Old Boys Committee have maintained momentum with the provision of support and activities to meet our Objectives throughout the year. The involvement in the projects and activities has united those involved in the bonds of friendship, good fellowship, and mutual understanding.

The Old Boys are proud of the great working relationship we have established with the Junior Activities section and particularly Shayne, Katrina, and their Committee. We have provided workforce for a Nipper Carnival hosted by Kurrawa in December and run the BBQ in times when they were committed with other projects, Club Championships etc. We also provided Bursaries for the Marie Bennetts OAM Worker of the Year.

We provided support to junior members with the sponsorship of Joshua Cimini to attend the Lifesaving Development Program in April, 2023. Support was also provided by way of uniforms and transport for members to attend the Youth Camp in July, 2023. Financial support was also provided to a junior member to attend the World Titles in Italy, and for another member to participate in the World Kayak Championships. A racing mal was also purchased for the specific use for one of our junior members.

The Old Boys also hosted the Collingwood Football Club Recovery Breakfast in July, 2022 and South Sydney Rabbitohs in June, 2023.

In December, 2022 Noel Flaherty and Jeff Bignell were interviewed on ABC Radio with Cathy Border on the history of Kurrawa and the Old Boys. Further interviews with the ABC with Ken Coulston and Jeff Bignell were held at the Club with Nicole Dyer. Guy Andrews and Ken Coulston were interviewed by Cathy Border at the Aussies in Perth in March. In terms of Community Support the Old Boys have facilitated a number of trips to deliver donated water and clothing to Flood Victims in Northern NSW, the last being June, 2023.

We again provided a Sausage Sizzle and Santa with lollies for the Broadbeach State School Carols in December, 2022. The Old Boys assisted with the hosting of Foster Care Hosts, Mercy Community Services with the provision of lunch for the children and their carers in January, 2023.

The major community service event was the organising and running of the Blue Bottle Trivia Night to raise funds for Cancer research. The event raised \$10,000.00 for the Charity.

In August, 2022 we again assisted in the running the Bugs and Bees Golf Day at Boomerang Golf Club where over \$2,000.00 was raised for the Club.

The Old Boys provided support to the Club with BBQs for the Captains Keg, boaties meeting, loading of gear for Aussies in Perth, and workforce for the Nutri-Grain Iron Series in January, 2023.

We also provided funds for the new Robert Gatenby Lifesaver of the Year Honour Board.

The Old Boys acknowledge the work of Bruce Stewart, Ron Nicholls, and Rob Forsyth in cleaning the patrol equipment each Monday during the season. The volunteers who maintain the surrounds of the Club are also acknowledged for their valuable work.

The Old Boys participated in the Raffle Roster throughout the year and acknowledge those who participated in the selling of tickets. Funds raised enabled the above-mentioned support to be achieved.

In July, 2022 we celebrated the "Lost Keg" with Broadbeach Surf Club. This event is now held annually and Good Fellowship and Friendship is achieved with much spirited banter and possible exaggeration of the facts

I would like to acknowledge the support of the Old Boys Committee, Rob Pollock, Karen Scott, Ken Coulston, John Chalkley, Paul Taylor, Noel Flaherty, Bruce Stewart, John Custance, and Tony Fisher for what has been a very busy year.

# Nipper Chairman

## SHAYNE BIKNERIS

It has been a year filled with achievements, growth, and a true display of teamwork. I would like to take a moment to reflect on the remarkable statistics that highlight the success of our season and express our gratitude to those who have contributed to its success.

First and foremost, let us acknowledge the 38 individuals who successfully completed the Surf Rescue Certificate course for the 2022/23 season. These dedicated individuals have undergone rigorous training and have proven themselves capable of providing essential surf rescue skills. Additionally, we are proud to announce that approximately 50 people, who possess either the Surf Rescue Certificate or the coveted Bronze Medallion, lent their expertise as water safety volunteers throughout the season. The tireless efforts of these individuals were evident every week as they formed the vibrant "orange rashie brigade" that tirelessly watched over our nippers and ensured their safety.

Our commitment to excellence extends beyond the water. This season, we witnessed the growth of our Technical Officials' team. Three individuals successfully completed their Technical Officials course, showcasing their dedication and expertise. Furthermore, two others are on their way to reaching the probationary level. Additionally, we are proud to have the support of 10 extra parents who have taken on the role of officiating. Their contribution has been invaluable, ensuring that our competitions run smoothly and fairly.

Speaking of competitions, we had an outstanding turnout for our U8-U10 Branch Carnival, with an impressive 57 kids showcasing their skills and sportsmanship. This level of participation demonstrates the passion and enthusiasm within our club and the desire of our young nippers to test their abilities against their peers.

Moving up the age groups, we were equally delighted to have 54 talented nippers representing us in the U11-U15 State Team. Their hard work, dedication, and commitment to their craft were truly commendable. These young athletes exemplify the spirit of our club and make us proud to be part of their journey.

But our accomplishments extend beyond the beach and into our community. This year, our BBQ figures reached record highs, a testament to the support and generosity of our members and the wider community. We would like to extend our heartfelt thanks to Harris Farm Markets for their incredible generosity, which has played a significant role in our success.

To all our Age Managers, Coaches, Team Managers & the front office who take tremendous care and patience with our nippers throughout the season. Great work and thank you so much.

Finally, I would like to take a moment to recognise the tremendous efforts of our committee. Behind the scenes, they have worked tirelessly to plan and execute a program that has not only engaged our nippers but also fostered a sense of camaraderie, growth, and achievement. Their dedication and commitment have been instrumental in making this season a resounding success.

As we conclude the 2023 season, let us celebrate these figures, not merely as statistics but as representations of the dedication, passion, and teamwork that embody the spirit of Kurrawa Surf Club. Each number mentioned here is a testament to the collective efforts of our nippers, parents, volunteers, and committee members who have made this season an unforgettable one.

The Junior Activity Committee and all club members would like to thank Coach Craig Sly for the past 2 years as he has decided to move on chasing his dreams of being a senior coach. We all thank you Craig and wish you the best in the future.

As we look forward to the future, let us continue to build upon the successes of this season, nurturing the talents of our nippers, ensuring their safety, and fostering a community that cherishes the values of surf lifesaving. Together, we can continue to make a positive impact not only on our club but also on the lives of those we touch.

Thank you, and congratulations to everyone involved in making the 2023 season a truly remarkable one.

## NIPPER OF THE YEAR

Eve Cervenak

## Supporters Club President

# STEWART PALMER

It is with some confidence I report the cafe and al fresco deck together with the modernisation of the recreation room is slowly moving to a point of approval from GCCC and the State Government. The final application (amended) was lodged on the 20th June 2023. Once this consent is received, we need to go to the Planning and Environment court to rubber stamp a minor change.

For member's information, the approval process for these alterations has now taken as long as the approval of the new building. Consent from regulatory authorities is a long-winded process.

Your Supporters Club has traded exceptionally well during the past year and it must be noted it is the first year since opening that a major disruption has not affected results.

All aspects of new and innovate technology are constantly being explored and some of these additions include table ordering, a cash counting and distribution machine which prepares tills and counts them on return, improved security via additional cameras and "face identification" by special cameras is also to be trialled.

New psychological changes to workforce employment regulations are gradually being introduced by government and compliance will be challenging for management to say the least.

The Supporters Club will continue to play the major role in funding to the parent Surf Club in a balanced and economically sensible way. Both budgets will now be aligned, and a clearer and honest understanding must be adopted.

Congratulations to all patrol members and competitors who travelled to WA for the Aussies. Also, a big thank you to Flea Nolan, Will and the team from Nolan's who provided very generous assistance and sponsorship to the team who travelled to Perth.

Treasurer

# ADAM PINE OAM, OLY

It is with pleasure that I present the Audited Financial Report of Kurrawa Surf Life Saving Club Inc. This year I present two Financial Reports. With the motion passed at the 2022 AGM to change the date of our financial year end to 30 June. This change occurred following approval from the Office of Fair Trading for the amendment to our Constitution and from the Australian Charities and Not-for-profits Commission.

Therefore, I will be presenting the Financials for the three-month period of 1 April 2022 to 30 June 2022 and for the twelve-month period of 1 July 2022 to 30 June 2023.

The financial report for the twelve-month period of 2022-2023 record a total operating Surplus of \$497,072 plus the financial report for the three-month period ended 30 June 2022 recorded a surplus of \$180,177.

The donations received from Kurrawa SLS Supporter's Association Inc. enable the surf club to focus on our published mission;

*To be Australia's premier Surf Life Saving Club, servicing the community through a safe beach. With exceptional training and education programs from youth to elite in a fun, family friendly, welcoming and professional environment.*

During the twelve-month period to 30 June 2023, donations received from the Supporters Club totalled \$728,591 and for the three-month period it was \$245,000. In addition to this, the Supporters Club donated \$1,074,756 to service the building loan and costs and for the three-month period it was \$268,689. Loan amounts repaid by the Club to the Supporters Club were \$250,000. During the fifteen-month period the total building loans were reduced from \$4,601,774 (2022) to \$3,831,388 (2023).

Total available cash at 30 June 2023 was \$76,387.63

We thank Mr. Ian Barfoot for fastidiously reviewing our financials and completing our audit in a timely fashion for our new reporting timelines.

As always, I would like to thank the Supporters Club, both committee and staff for their hard work and support. Without which we would not operate in the best building and location and have the ability to focus on our service to our members, and the community. I would also like to thank all of our professional office staff whose support to the board and members has allowed for a continued smooth operation and focus on our mission and strategy. In particular, I thank Karen Fleischer whose support and professionalism has greatly supported my role as Treasurer and the governance of the entire club. Karen always operates in the best interest of the Kurrawa and our bottom line. Thank you again Karen for your great service!

## COMMITTEE'S REPORT

Your committee members present this financial report on the Kurrawa Surf Life Saving Club Inc for the financial period ended 30 June 2022.

### Committee Members

The names of committee members throughout the period and at the date of this report are:

President	Ian McKinnon
Deputy President	Ty Greenman
Deputy President	Paul Navarro (held office until 26 June 2022)
Treasurer	Adam Pine
Secretary	Stuart Nelson
Captain	Katie Watts
Membership Officer	David Bear
Membership Officer	Melissa Cracroft-Wilson (held office until 26 June 2022)
Surf Sports Officer	Scott Wheeler

The committee members have been in office since the start of the financial period to the date of this report unless otherwise stated.

### Principal Activities

The principal activities of the association during the financial period were to promote, advance and control the work of surf life saving, the resuscitation of the apparently drowned, the treatment and resuscitation of any person stung by any marine stinger, and the application of first aid on surfing beaches and elsewhere.

### Significant Changes

There was no significant change in the nature of these activities during the period.

### Operating Result

The surplus for the three months ended 30 June 2022 amounted to \$180,177 (twelve months ended 31 March 2022: surplus of \$1,535,586). The association is exempt from income tax (refer Note 1a).

The financial report was authorised for issue by the committee members on the same date as this report.

Signed in accordance with a resolution of the committee members.

## NOTES TO THE FINANCIAL STATEMENTS FOR THE PERIOD ENDED 30 JUNE 2022

### NOTE 1: SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES

#### Corporate Information

The financial report is for Kurrawa Surf Life Saving Club Inc as an individual entity, incorporated and domiciled in Australia. Kurrawa Surf Life Saving Club Inc is an association incorporated in Queensland under the *Associations Incorporation Act 1981* (Qld). The association is a charity registered under the *Australian Charities and Not-for-profits Commission Act 2012* (Cth).

#### Basis of Preparation

The financial statements are general purpose financial statements that have been prepared in accordance with Australian Accounting Standards – AASB 1060: *General Purpose Financial Statements – Simplified Disclosures for For-Profit and Not-for-Profit Tier 2 Entities* of the Australian Accounting Standards Board (AASB) and the *Associations Incorporation Act 1981* (Qld), the *Collections Act 1966* (Qld) and the *Australian Charities and Not-for-profits Commission Act 2012* (Cth). The association is a not-for-profit entity for financial reporting purposes under Australian Accounting Standards.

Australian Accounting Standards set out accounting policies that the AASB has concluded would result in financial statements containing relevant and reliable information about transactions, events and conditions. Material accounting policies adopted in the preparation of the financial statements are presented below and have been consistently applied unless stated otherwise.

The financial statements, except for the cash flow information, have been prepared on an accrual basis and are based on historical costs, modified, where applicable, by the measurement at fair value of selected non-current assets, financial assets and financial liabilities. The amounts presented in the financial statements have been rounded to the nearest dollar.

#### Accounting Policies

##### **a. Income Tax**

No provision for income tax has been raised as the association is exempt from income tax under Section 50-10 of the *Income Tax Assessment Act 1997* (Cth). Kurrawa Surf Life Saving Club Inc is a Public Benevolent Institution (PBI) and has been endorsed by the Australian Taxation Office to receive tax concessions. Further, Kurrawa Surf Life Saving Club Inc is endorsed as a Deductible Gift Recipient (DGR).

##### **b. Goods and Services Tax (GST)**

Revenues, expenses and assets are recognised net of the amount of GST, except where the amount of GST incurred is not recoverable from the Australian Taxation Office (ATO).

Receivables and payables are stated inclusive of the amount of GST receivable or payable. The net amount of GST recoverable from, or payable to, the ATO is included with other receivables or payables in the Statement of Financial Position.

Cash flows are presented on a gross basis. The GST components of cash flows arising from investing or financing activities which are recoverable from, or payable to, the ATO are presented as operating cash flows included in receipts from customers or payments to suppliers.

##### **c. Economic Dependence**

Kurrawa Surf Life Saving Club Inc is dependent on the Kurrawa S.L.S.C. Supporters Association Inc for funds used to meet its financial commitments. At the date of this report the committee members have no reason to believe the Kurrawa S.L.S.C. Supporters Association Inc will not continue to support Kurrawa Surf Life Saving Club Inc.

KURRAWA SURF LIFE SAVING CLUB INC  
IA 2239 CP 1394 ABN 36 275 406 288

## NOTES TO THE FINANCIAL STATEMENTS FOR THE PERIOD ENDED 30 JUNE 2022

### NOTE 1: SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES

#### d. Comparative Figures

When required by Accounting Standards, comparative figures have been adjusted to conform with changes in presentation for the current financial period. When required, comparative information is reclassified where appropriate to enhance comparability. Note, the current financial period is for three (3) months where the comparative financial period is for twelve (12) months.

#### e. Revenue

##### **Revenue recognition**

##### *Contributed assets*

The association receives assets from the government and other parties for nil or nominal consideration in order to further its objectives. These assets are recognised in accordance with the recognition requirements of other applicable accounting standards (eg AASB 9, AASB 16, AASB 116, AASB 1058 and AASB 138).

On initial recognition of an asset, the association recognises related amounts (being contributions by owners, lease liability, financial instruments, provisions, revenue or contract liability arising from a contract with a customer).

The association recognises income immediately in profit or loss as the difference between the initial carrying amount of the asset and the related amount.

##### *Capital grant*

Grant revenue received from government that relates to the purchase of capital assets is offset against the amount of the capital asset. The grant is recognised in profit or loss over the life of the depreciable asset as a reduced depreciation expense.

##### *Operating grants, donations and bequests*

When the association receives operating grant revenue, donations or bequests, it assesses whether the contract is enforceable and has sufficiently specific performance obligations in accordance to AASB 15.

When both these conditions are satisfied, the association:

- > identifies each performance obligation relating to the grant;
- > recognises a contract liability for its obligations under the agreement; and
- > recognises revenue as it satisfies its performance obligations.

Where the contract is not enforceable or does not have sufficiently specific performance obligations, the association:

- > recognises the asset received in accordance with the recognition requirements of other applicable Accounting Standards (for example AASB 9, AASB 16, AASB 116 and AASB 138);
- > recognises related amounts (being contributions by owners, lease liability, financial instruments, provisions, revenue or contract liability arising from a contract with a customer); and
- > recognises income immediately in profit or loss as the difference between the initial carrying amount of the asset and the related amount.

If a contract liability is recognised as a related amount above, the association recognises income in profit or loss when or as it satisfies its obligations under the contract.

##### *Interest income*

Interest income is recognised using the effective interest method.

All revenue is stated net of the amount of goods and services tax.

KURRAWA SURF LIFE SAVING CLUB INC  
IA 2239 CP 1394 ABN 36 275 406 288

## NOTES TO THE FINANCIAL STATEMENTS FOR THE PERIOD ENDED 30 JUNE 2022

### NOTE 1: SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES

#### **f. Critical Accounting Estimates and Judgments**

The committee members evaluate estimates and judgments in the financial report based on historical knowledge and best available information. Estimates assume a reasonable expectation of future events and are based on current trends and economic data, obtained both externally and within the association.

The estimate of the useful life of plant and equipment is reviewed at least annually to confirm that the remaining life of material assets is reflected on the asset register. There were no other critical accounting estimates to be considered by the committee during the period or during preparation of this financial report.

The methods of depreciation are used to provide a consistent usage of the useful life of plant and equipment. The methods also allow, where required, for the plant and equipment to be fully written down at a specific point in time such as the end of the lease term. There were no other critical accounting judgments made by the committee members.

#### **g. Impairment of Assets**

At the end of each reporting period, the committee members assess whether there is any indication that an asset may be impaired. If such an indication exists, an impairment test is carried out on the asset by comparing the recoverable amount of the asset, being the higher of the asset's fair value less costs to sell and value in use, to the asset's carrying amount. Any excess of the asset's carrying amount over its recoverable amount is recognised immediately in profit or loss, unless the asset is carried at a revalued amount in accordance with another Standard (e.g. in accordance with the revaluation model in AASB 116). Any impairment loss of a revalued asset is treated as a revaluation decrease in accordance with that other Standard.

Where it is not possible to estimate the recoverable amount of an individual asset, the committee members estimate the recoverable amount of the cash-generating unit to which the asset belongs. The committee members found no indication that any asset had been impaired.

#### **h. Cash and Cash Equivalents**

Cash and cash equivalents include cash on hand, deposits held at-call with banks and other short-term highly liquid investments with original maturities of twelve months or less.

#### **i. Trade and Other Receivables**

Trade and other receivables include amounts due from members as well as amounts receivable from other entities. Receivables expected to be collected within twelve months of the end of the reporting period are classified as current assets. All other receivables are classified as non-current assets.

#### **j. Inventories**

Inventories are measured at the lower of cost and net realisable value.

#### **k. Property, Plant and Equipment**

Each class of property, plant and equipment is carried at cost or fair values less, where applicable, accumulated depreciation and impairment losses.

#### ***Leasehold improvements, plant and equipment***

Leasehold improvements, plant and equipment are measured on the cost basis less depreciation and impairment losses.

In the event the carrying amount of plant and equipment is greater than its estimated recoverable amount, the carrying amount is written down immediately to its estimated recoverable amount and impairment losses recognised either in profit or loss or as a revaluation decrease if the impairment losses relate to a revalued asset. A formal assessment of recoverable amount is made when impairment indicators are present (refer to Note 1g for details of impairment).

**KURRAWA SURF LIFE SAVING CLUB INC**  
**IA 2239 CP 1394 ABN 36 275 406 288**

**NOTES TO THE FINANCIAL STATEMENTS**  
**FOR THE PERIOD ENDED 30 JUNE 2022**

**NOTE 1: SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES**

**k. Property, Plant and Equipment (continued)**

Leasehold improvements, plant and equipment that have been contributed at no cost, or for nominal cost, are valued at the fair value of the asset at the date it is acquired.

Subsequent costs are included in the asset's carrying amount or recognised as a separate asset, as appropriate, only when it is probable that future economic benefits associated with the item will flow to the association and the cost of the item can be measured reliably. All other costs are classified as repairs and maintenance and are charged to the Statement of Profit or Loss and Other Comprehensive Income during the financial period in which they are incurred.

Gains and losses on disposals are determined by comparing proceeds with the carrying amount. These gains or losses are included in the Statement of Profit or Loss and Other Comprehensive Income. When revalued assets are sold, amounts included in the revaluation reserve relating to that asset are transferred to retained surplus.

***Depreciation***

The depreciable amount of all fixed assets including leasehold improvements is depreciated on a straight line basis (prime rate) over their useful lives to the association commencing from the time the asset is held ready for use. Leasehold improvements are depreciated over either the unexpired period of the lease or the estimated useful lives of the improvements.

The depreciation rates used for each class of depreciable assets are:

<u>Class of Fixed Asset</u>	<u>Depreciation Rate</u>
Leasehold Improvements	2.50% - 10.00%
Furniture and Fittings	3.33% - 25.00%
Gear and Equipment	5.00% - 50.00%

The assets' residual values and useful lives are reviewed, and adjusted if appropriate, at the end of each reporting period.

**l. Trade and Other Payables**

Trade and other payables represent the liabilities for goods and services received by the association during the reporting period that remain unpaid at the end of the reporting period. The balance is recognised as a current liability with the amounts normally paid within thirty days of recognition of the liability.

**m. Employee Benefits**

***Retirement benefit obligations - superannuation benefits***

All employees of the association receive defined contribution superannuation entitlements, for which the association pays the fixed superannuation guarantee contribution (currently 10.0% [10.5% from 01 July 2022] of the employee's average ordinary salary) to the employee's superannuation fund of choice. All obligations for unpaid superannuation guarantee contributions are measured at the (undiscounted) amounts expected to be paid when the obligation is settled and are presented as trade and other payables under current liabilities in the Statement of Financial Position.

***Short-term employee benefits***

Provision is made for the association's obligation for short-term employee benefits. Short-term employee benefits are benefits (other than termination benefits) that are expected to be settled wholly within twelve months after the end of the annual reporting period in which the employees render the related service, including wages, salaries, annual leave and long service leave. Short-term employee benefits are measured at the (undiscounted) amounts expected to be paid when the obligation is settled. The association's obligations for short-term employee benefits are presented as trade and other payables under current liabilities in the Statement of Financial Position.

**KURRAWA SURF LIFE SAVING CLUB INC**  
**IA 2239 CP 1394 ABN 36 275 406 288**

**NOTES TO THE FINANCIAL STATEMENTS  
FOR THE PERIOD ENDED 30 JUNE 2022**

**NOTE 1: SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES**

**m. Employee Benefits (continued)**

***Long-term employee benefits***

The association only classifies employees' long service leave entitlements as long-term employee benefits as they are not expected to be settled wholly within twelve months after the end of the annual reporting period in which the employees render the related service. Provision is made for the association's obligation for long-term employee benefits, which are measured at the present value of the expected future payments to be made to employees. Expected future payments incorporate anticipated future wage and salary levels, durations of service and employee departures, and are discounted at rates determined by reference to market yields at the end of the reporting period on government bonds that have maturity dates that approximate the terms of the obligations. Upon the remeasurement of obligations for long-term employee benefits, the net change in the obligation is recognised in profit or loss classified under employee benefits expense.

The association's obligations for long-term employee benefits are presented as provisions under non-current liabilities in the Statement of Financial Position, except where the association does not have an unconditional right to defer settlement for at least twelve months after the end of the reporting period, in which case the obligations are presented as trade and other payables under current liabilities in the Statement of Financial Position.

**n. Provisions**

Provisions are recognised when the association has a legal or constructive obligation, as a result of past events, for which it is probable that an outflow of economic benefits will result and that outflow can be reliably measured. Provisions recognised represent the best estimate of the amounts required to settle the obligation at the end of the reporting period.

**o. Leases**

***The association as lessee***

At inception of a contract, the association would assess if the contract contains or is a lease. If there is a lease present, a right-of-use asset and a corresponding lease liability is recognised by the association where the association is a lessee. However, all contracts that are classified as short-term leases (i.e. a lease with a remaining lease term of twelve months or less), leases of low-value assets and concessionary (peppercorn) leases are recognised as an operating expense on a straight-line basis over the term of the lease.

***Concessionary leases***

For leases that have significantly below-market terms and conditions principally to enable the association to further its objectives (also referred to as peppercorn leases), the association has adopted the temporary relief under AASB 2018-8 and measures the right-of-use assets at cost on initial recognition.

The association is dependent on this lease to further its objectives. Without this concessionary lease, it would be unlikely for the association to provide surf life saving services.

***The association as lessor***

The association leases a portion of the building to the Kurrawa S.L.S.C. Supporters Association Inc.

Rental income received from the operating lease is recognised on a straight-line basis over the term of the lease.

**p. Financial Instruments**

***Initial recognition and measurement***

Financial assets and financial liabilities are recognised when the association becomes a party to the contractual provisions to the instrument. For financial assets, this is equivalent to the date that the association commits itself to either purchase or sell the asset (i.e. trade date accounting is adopted). Financial instruments are initially measured at fair value plus transactions costs except where the instrument is classified "at fair value through profit or loss" in which case transaction costs are recognised immediately as expenses in profit or loss.

KURRAWA SURF LIFE SAVING CLUB INC  
IA 2239 CP 1394 ABN 36 275 406 288

## NOTES TO THE FINANCIAL STATEMENTS FOR THE PERIOD ENDED 30 JUNE 2022

### NOTE 1: SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES

#### p. Financial Instruments (continued)

##### **Classification and subsequent measurement**

Financial instruments are subsequently measured at fair value, amortised cost using the effective interest method, or cost. Where available, quoted prices in an active market are used to determine fair value. In other circumstances, valuation techniques are adopted.

##### **Loans and receivables**

Loans and receivables are non-derivative financial assets with fixed or determinable payments that are not quoted in an active market and are subsequently measured at amortised cost. Gains or losses are recognised in profit or loss through the amortisation process and when the financial asset is derecognised.

##### **Financial liabilities**

Non-derivative financial liabilities other than financial guarantees are subsequently measured at amortised cost. Gains or losses are recognised in profit or loss through the amortisation process and when the financial liability is derecognised.

##### **Impairment**

At the end of each reporting period, the association assesses whether there is objective evidence that a financial asset has been impaired. A financial asset or a group of financial assets is deemed to be impaired if, and only if, there is objective evidence that impairment as a result of one or more events (a "loss event") has occurred, which has an impact on the estimated future cash flows of the financial asset(s).

#### q. New and Amended Accounting Policies Adopted by the Association

##### **Initial adoption of AASB 1060: General Purpose Financial Statements – Simplified Disclosures for For-Profit and Not-for-Profit Tier 2 Entities**

The Association has adopted AASB 1060: *General Purpose Financial Statements – Simplified Disclosures for For-Profit and Not-for-Profit Tier 2 Entities* for the first time this reporting period. The Standard, which sets out a new separate disclosure Standard to be applied by all entities that are reporting under Tier 2 of the Differential Reporting Framework in AASB 1053: *Application of Tiers of Australian Accounting Standards*, replaces the previous Reduced Disclosure Requirements (RDR) framework. The application of this standard has resulted in reductions in disclosures compared to RDR in Revenue, Leases and Financial Instruments; however has resulted in new and/or increased disclosures in areas such as Audit Fees and Related Parties.

**Donations Agreement**

The Kurrawa S.L.S.C. Supporters Association Inc has agreed to donate approximately \$90,000 per month to directly assist the club to meet the loan repayments to the Westpac Banking Corporation. The term of the agreement is 'until loans are fully repaid'.

**Operating Lease Receivable**

The Kurrawa S.L.S.C. Supporters Association Inc provides a rental income to the club pursuant to the sub-lease agreement that expires on 29 June 2036. The annual lease amount is considered 'commercial-in-confidence' although it does increase by a fixed amount of 2.5% on each anniversary date. Due to the nature of the agreement no amount has been recognised as a receivable as it will be recognised as revenue when invoiced. Unpaid rental payments are recognised as a current receivable.

<b>Total Current and Non Current Borrowings:</b>			
Credit card		739	1,511
Loan from related party	11a	3,043,790	3,043,790
Bank loans	11b	4,401,149	4,601,774
<b>Total Borrowings</b>		<b>7,445,678</b>	<b>7,647,075</b>

a. The association has a loan facility of up to \$8,500,000 with the Kurrawa S.L.S.C. Supporters Association Inc to fund the new building and to assist in the repayment of the bank loans described above. The loan taken is non-recourse interest free loan which will be repaid as specified in the loan agreement. The loan has been disclosed as a current and a non-current loan.

b. The bank loans comprise of two loans, for \$6,000,000 and for \$2,000,000, both being principal and interest. The loan facilities expire on 27 February 2028. Accordingly, the principal and interest loans have been disclosed as a current and a non-current loan. Further, the association has \$1,002,018 available for redraw if required.

A loan covenant exists over the loans which requires the 'Debt Service Cover ratio of the Kurrawa Surf Life Saving Club Inc and the Kurrawa S.L.S.C. Supporters Association Inc is at all times not less than 1.25 times where the Debt Service Cover = (EBITDA less tax divided by gross interest plus twelve months principal payments plus line fees). The loan covenant is reviewed on a monthly basis and no breach of the covenant has been identified during the financial period or to the date of this financial report.

Westpac Banking Corporation holds the following securities over the loans:

- > Mortgage over lease held by the association;
- > Supported debt and interest held by Kurrawa S.L.S.C. Supporters Association Inc;
- > Mortgage over lease held by Kurrawa S.L.S.C. Supporters Association Inc; and
- > PFG-Tri-partite Agreement (builders Deed) held by Kurrawa Surf Life Saving Club Inc.

## NOTES TO THE FINANCIAL STATEMENTS FOR THE PERIOD ENDED 30 JUNE 2022

	Note	30 June 2022 \$	31 March 2022 \$
<b>NOTE 12: PROVISIONS</b>			
<b>Non Current Provisions</b>			
Employee benefits	12a	5,622	16,375
Employee on-costs		647	1,883
<b>Total Non Current Provisions</b>		<b>6,269</b>	<b>18,258</b>

a. Provision for employee benefits represents amounts accrued for long service leave. The non-current provision represents amounts accrued for long service leave entitlements that have not yet vested in relation to those employees who have not yet completed the required period of service. In calculating the present value of future cash flows in respect of long service leave, the probability of long service leave being taken is based upon probability as no historical data is available. The measurement and recognition criteria for employee benefits have been disclosed in Note 1m.

### b. Movements in Provisions

Balance at the beginning of period	18,258	16,024
Additional provisions raised/(used) during the period	39	2,234
Amounts used, cancelled or transferred to current liability	(12,028)	-
<b>Carrying amount at the end of period</b>	<b>6,269</b>	<b>18,258</b>

## NOTE 13: CAPITAL AND FINANCING COMMITMENTS

### Capital expenditure commitments

At the end of the financial period there were no commitments for capital expenditure.

### Hire Purchase / Chattel Mortgage Commitments

At the end of the financial period there were no hire purchase or chattel mortgage commitments.

## NOTE 14: LEASES

### Lease amounts recognised in the statement of profit or loss

Low-value (peppercorn) lease payments	-	25,500.00
---------------------------------------	---	-----------

The association has a 'peppercorn lease' with variable lease payments from the Gold Coast City Council for the property on Old Burleigh Road, Broadbeach. The lease amount is determined by the Gold Coast City Council and calculated on the annual liquor purchases by the tenant, Kurrawa S.L.S.C. Supporters Association Inc. Therefore, future lease costs cannot be accurately determined. The lease expires on 30 June 2036.

## NOTE 15: CONTINGENT LIABILITIES AND ASSETS

There are no contingent liabilities or assets that may become payable or receivable by the Kurrawa Surf Life Saving Club Inc requiring disclosure in the financial report.

## NOTE 16: ASSOCIATION DETAILS

The registered office and principal place of business of the association is:

Kurrawa Surf Life Saving Club Inc  
Old Burleigh Road, Broadbeach QLD 4218

Email: [Info@kurrawasurf.com.au](mailto:Info@kurrawasurf.com.au)

## NOTE 17: HUMAN RESOURCES

At the end of the financial period the number of employees and volunteers engaged by the association were as follows:

Full-time employees	4	4
Part-time employees	2	2
Casual employees	1	1
Volunteers	424	424

**KURRAWA SURF LIFE SAVING CLUB INC**  
**IA 2239 CP 1394 ABN 36 275 406 288**

<b>Financial Liabilities</b>			
Trade and other payables	10	30,894	39,968
Borrowings	11	7,445,678	7,647,075
<b>Total Financial Liabilities</b>		<b>7,476,572</b>	<b>7,687,043</b>

**NOTE 19: AUDITOR'S REMUNERATION**

Remuneration of the auditor:

Auditing the financial report	3,000	6,000
-------------------------------	-------	-------

**NOTE 20: KEY MANAGEMENT PERSONNEL COMPENSATION**

Any person(s) having authority and responsibility for planning, directing and controlling the activities of the association, directly or indirectly, including any committee member (whether executive or otherwise) of the association is considered key management personnel (KMP).

The totals of remuneration paid to KMP's of the association during the period are as follows:

Amounts paid by the club to KMP's for remuneration	2,200	15,062
--	-------	--------

No KMP has entered into a material contract with the association since the end of the previous financial period. KMP's may obtain membership and may also obtain other services and benefits from the association on terms and conditions no more favourable than those available to other members and, if so, were immaterial in nature and amount.

**NOTE 21: RELATED PARTY TRANSACTIONS**

Other related parties include close family members of KMP's and entities that are controlled or jointly controlled by those KMP's individually or collectively with their close family members.

Amounts paid by the club to related parties of KMP's during the period for goods and/or services	11,721	13,330
Amounts paid by the club to Kurrawa S.L.S.C. Supporters Association Inc during the period for goods and/or services	92,380	166,304
Amounts received by the club from Kurrawa S.L.S.C. Supporters Association Inc during the period for rent	39,398	154,711
Amounts received by the club from Kurrawa S.L.S.C. Supporters Association Inc during the period for donations	513,689	2,709,161
Loan amounts repaid by the club to Kurrawa S.L.S.C. Supporters Association Inc	11	-
		900,000

Transactions between related parties are on normal commercial terms and conditions no more favourable than those available to other persons unless otherwise stated.

NOTES TO THE FINANCIAL STATEMENTS  
FOR THE PERIOD ENDED 30 JUNE 2022

	Note	30 June 2022 \$	31 March 2022 \$
--	------	-----------------------	------------------------

NOTE 22: GOING CONCERN

*Current asset ratio*

The financial report has been prepared on the going concern basis of accounting. The Current Asset Ratio (current assets : current liabilities) was 0.21 to 1.00 as at 30 June 2022 (as at 31 March 2022: 0.16 to 1.00). This is due to the construction of the new club which has been financed and a portion of the loan is disclosed as a current liability.

There is a 'donations agreement' in place and details are disclosed in Note 6. Further, an amount of \$1,002,018 is available for redraw if required for operational purposes, refer Note 11b.

The ability of Kurrawa Surf Life Saving Club Inc to realise its assets and extinguish its liabilities in the normal course of business and at the amounts stated in the financial report is contingent on the Kurrawa S.L.S.C. Supporters Club Inc providing sufficient funds to cover operational, investing and financing requirements.

At the date of this financial report, the committee of the Kurrawa Surf Life Saving Club Inc believes the association will be able to pay all of its debts as and when they become due and payable.

NOTE 23: EVENTS AFTER THE REPORTING PERIOD

No events have occurred subsequent to reporting date which require disclosure in this report.

**KURRAWA SURF LIFE SAVING CLUB INC**  
IA 2239 CP 1394 ABN 36 275 406 288

## DECLARATION BY MEMBERS OF THE COMMITTEE

The members of the committee declare that the financial report, comprising of Statement of Profit or Loss and Other Comprehensive Income, Statement of Changes in Association's Funds, Statement of Financial Position, Statement of Cash Flows and Notes to the Financial Statements:

1. Presents a true and fair view of the financial position of Kurrawa Surf Life Saving Club Inc as at 30 June 2022 and its performance for the period ended on that date in accordance with Australian Accounting Standards (including Australian Accounting Interpretations) of the Australian Accounting Standards Board, the *Associations Incorporation Act 1981* (Qld), the *Collections Act 1966* (Qld) and the *Australian Charities and Not-for-profits Commission Act 2012* (Cth).

2. At the date of this statement, there are reasonable grounds to believe that Kurrawa Surf Life Saving Club Inc will be able to pay all of its debts as and when they become due and payable.

3. The financial statements and notes satisfy the requirements of the *Australian Charities and Not-for-profits Commission Act 2012* (Cth).

This declaration is made in accordance with a resolution of the Committee and is signed for and on behalf of the committee by:

**Ian McKinnon**  
President

**Adam Pine**  
Treasurer

**INDEPENDENT AUDITOR'S REVIEW REPORT  
TO THE MEMBERS OF  
KURRAWA SURF LIFE SAVING CLUB INC  
IA 2239 CP 1394 ABN 36 275 406 288**

**Report on the Financial Report**

We have reviewed the accompanying financial report of Kurrawa Surf Life Saving Club Inc (the Association), which comprises the Statement of Financial Position as at 30 June 2022 and the Statement of Profit or Loss and Other Comprehensive Income, Statement of Changes in Association's Funds and Statement of Cash Flows for the year ended, notes comprising a summary of significant accounting policies and other explanatory information and the Declaration by Members of the Committee.

**Committee's Responsibility for the Financial Report**

The Committee of the Association is responsible for the preparation of the financial report that gives a true and fair view in accordance with Australian Accounting Standards – AASB 1060: *General Purpose Financial Statements – Simplified Disclosures for For-Profit and Not-for-Profit Tier 2 Entities* and the *Australian Charities and Not-for-profits Commission Act 2012* (Cth), the *Collections Act 1966* (Qld) and the *Associations Incorporation Act 1981* (Qld) and for such internal control as the Committee determine is necessary to enable the preparation of the financial report that gives a true and fair view and is free from material misstatement, whether due to fraud or error.

**Auditor's Responsibility**

Our responsibility is to express a conclusion on the financial report based on our review. We conducted our review in accordance with the Auditing Standard on Review Engagements ASRE 2415: *Review of a Financial Report: Company Limited by Guarantee or an Entity Reporting under the ACNC Act or Other Applicable Legislation or Regulation*, in order to state whether, on the basis of the procedures described, we have become aware of any matter that makes us believe that the financial report is not in accordance with the *Australian Charities and Not-for-profits Commission Act 2012* (Cth) including: giving a true and fair view of the Association's financial position as at 30 June 2022 and its performance for the year ended on that date; and complying with the Australian Accounting Standards and the *Australian Charities and Not-for-profits Commission Act 2012* (Cth). ASRE 2415 requires that we comply with the ethical requirements relevant to the review of the financial report.

A review of a financial report consists of making enquiries, primarily of persons responsible for financial and accounting matters, and applying analytical and other review procedures. A review is substantially less in scope than an audit conducted in accordance with Australian Auditing Standards and consequently does not enable us to obtain assurance that we would become aware of all significant matters that might be identified in an audit. Accordingly, we do not express an audit opinion.

**Independence**

In conducting our review, we have complied with the independence requirements of the *Australian Charities and Not-for-profits Commission Act 2012* (Cth). We confirm that the independence declaration required by the *Australian Charities and Not-for-profits Commission Act 2012* (Cth) has been given to the Committee of Kurrawa Surf Life Saving Club Inc.

**INDEPENDENT AUDITOR'S REVIEW REPORT  
TO THE MEMBERS OF  
KURRAWA SURF LIFE SAVING CLUB INC  
IA 2239 CP 1394 ABN 36 275 406 288  
(continued)**

***Matters Relating to the Electronic Presentation of the Reviewed Financial Report***

This review report relates to the financial report of Kurrawa Surf Life Saving Club Inc for the year ended 30 June 2022 included, or which may be included, on the Association's website. We have not been engaged to report on the integrity of this website. This review report refers only to the financial report identified above. It does not provide an opinion on any other information which may have been hyperlinked to/from the financial report. If users of this report are concerned with the inherent risks arising from electronic data communications they are advised to refer to the hard copy of the reviewed financial report to confirm the information included in the reviewed financial report presented on the Association's website.

***Conclusion***

Based on our review, which is not an audit, we have not become aware of any matter that makes us believe that the financial report of Kurrawa Surf Life Saving Club Inc is not in accordance with the *Australian Charities and Not-for-profits Commission Act 2012* (Cth) including:

- (a) giving a true and fair view of the Association's financial position as at 30 June 2022 and of its performance for the year ended on that date; and
- (b) complying with Australian Accounting Standards – AASB 1060: *General Purpose Financial Statements – Simplified Disclosures for For-Profit and Not-for-Profit Tier 2 Entities* and the *Australian Charities and Not-for-profits Commission Regulation 2013* (Cth).

***Emphasis of Matter***

Our opinion is not qualified in respect to the following matter:

We draw your attention to Note 22 to the financial statements which details the Committee Members decision to prepare the report in accordance with the going concern assumption. In making the assumption, the Committee Members have considered the economic dependence to be provided by the Kurrawa S.L.S.C. Supporters Club Inc which will be received progressively from 01 July 2022.

**COMMITTEE'S REPORT**

Your committee members present this financial report on the Kurrawa Surf Life Saving Club Inc for the financial year ended 30 June 2023.

**Committee Members**

The names of committee members throughout the year and at the date of this report are:

President	Ian McKinnon
Deputy President	Ty Greenman
Treasurer	Adam Pine
Secretary	Stuart Nelson
Captain	Katie Watts
Membership Officer	David Bear
Surf Sports Officer	Scott Wheeler

The committee members have been in office since the start of the financial year to the date of this report unless otherwise stated.

**Principal Activities**

The principal activities of the Charity during the financial year were to promote, advance and control the work of surf life saving, the resuscitation of the apparently drowned, the treatment and resuscitation of any person stung by any marine stinger, and the application of first aid on surfing beaches and elsewhere.

**Significant Changes**

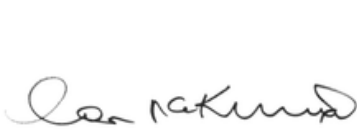

There was no significant change in the nature of these activities during the year.

**Operating Result**

The surplus amounted to \$497,071.66 (three months ended 30 June 2022: surplus of \$180,176.78). The Charity is exempt from income tax (refer Note 1a).

The financial report was authorised for issue by the committee members on the same date as this report.

Signed in accordance with a resolution of the committee members.

## NOTES TO THE FINANCIAL STATEMENTS FOR THE YEAR ENDED 30 JUNE 2023

### NOTE 1: SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES

#### Corporate Information

The financial report is for Kurrawa Surf Life Saving Club Inc as an individual entity, incorporated and domiciled in Australia. Kurrawa Surf Life Saving Club Inc is an association incorporated in Queensland under the *Associations Incorporation Act 1981* (Qld). The association is a charity registered under the *Australian Charities and Not-for-profits Commission Act 2012* (Cth).

#### Basis of Preparation

The financial statements are general purpose financial statements that have been prepared in accordance with Australian Accounting Standards – AASB 1060: *General Purpose Financial Statements – Simplified Disclosures for For-Profit and Not-for-Profit Tier 2 Entities* of the Australian Accounting Standards Board (AASB). The Charity is a not-for-profit entity for financial reporting purposes under Australian Accounting Standards.

Australian Accounting Standards set out accounting policies that the AASB has concluded would result in financial statements containing relevant and reliable information about transactions, events and conditions. Material accounting policies adopted in the preparation of the financial statements are presented below and have been consistently applied unless stated otherwise.

The financial statements, except for the cash flow information, have been prepared on an accrual basis and are based on historical costs, modified, where applicable, by the measurement at fair value of selected non-current assets, financial assets and financial liabilities.

#### Accounting Policies

##### **a. Income Tax**

No provision for income tax has been raised as the Charity is exempt from income tax under Section 50-10 of the *Income Tax Assessment Act 1997* (Cth). Kurrawa Surf Life Saving Club Inc is a Public Benevolent Institution (PBI) and has been endorsed by the Australian Taxation Office to receive tax concessions. Further, Kurrawa Surf Life Saving Club Inc is endorsed as a Deductible Gift Recipient (DGR).

##### **b. Goods and Services Tax (GST)**

Revenues, expenses and assets are recognised net of the amount of GST, except where the amount of GST incurred is not recoverable from the Australian Taxation Office (ATO).

Receivables and payables are stated inclusive of the amount of GST receivable or payable. The net amount of GST recoverable from, or payable to, the ATO is included with other receivables or payables in the Statement of Financial Position.

Cash flows are presented on a gross basis. The GST components of cash flows arising from investing or financing activities which are recoverable from, or payable to, the ATO are presented as operating cash flows included in receipts from customers or payments to suppliers.

##### **c. Economic Dependence**

Kurrawa Surf Life Saving Club Inc is dependent on the Kurrawa S.L.S.C. Supporters Association Inc for funds used to meet its financial commitments. At the date of this report the committee members have no reason to believe the Kurrawa S.L.S.C. Supporters Association Inc will not continue to support Kurrawa Surf Life Saving Club Inc.

##### **d. Comparative Figures**

When required by Accounting Standards, comparative figures have been adjusted to conform with changes in presentation for the current financial year. When required, comparative information is reclassified where appropriate to enhance comparability. Note, the current financial year is for twelve (12) months where the comparative financial year is for three (3) months.

KURRAWA SURF LIFE SAVING CLUB INC  
IA 2239 CP 1394 ABN 36 275 406 288

## NOTES TO THE FINANCIAL STATEMENTS FOR THE YEAR ENDED 30 JUNE 2023

### NOTE 1: SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES

#### e. Revenue

##### **Revenue recognition**

##### *Contributed assets*

The Charity receives assets from the government and other parties for nil or nominal consideration in order to further its objectives. These assets are recognised in accordance with the recognition requirements of other applicable accounting standards (eg AASB 9, AASB 16, AASB 116, AASB 1058 and AASB 138).

On initial recognition of an asset, the Charity recognises related amounts (being contributions by owners, lease liability, financial instruments, provisions, revenue or contract liability arising from a contract with a customer).

The Charity recognises income immediately in profit or loss as the difference between the initial carrying amount of the asset and the related amount.

##### *Capital grant*

Grant revenue received from government that relates to the purchase of capital assets is offset against the amount of the capital asset. The grant is recognised in profit or loss over the life of the depreciable asset as a reduced depreciation expense.

##### *Operating grants, donations and bequests*

When the Charity receives operating grant revenue, donations or bequests, it assesses whether the contract is enforceable and has sufficiently specific performance obligations in accordance to AASB 15.

When both these conditions are satisfied, the Charity:

- > identifies each performance obligation relating to the grant;
- > recognises a contract liability for its obligations under the agreement; and
- > recognises revenue as it satisfies its performance obligations.

Where the contract is not enforceable or does not have sufficiently specific performance obligations, the Charity:

- > recognises the asset received in accordance with the recognition requirements of other applicable Accounting Standards (for example AASB 9, AASB 16, AASB 116 and AASB 138);
- > recognises related amounts (being contributions by owners, lease liability, financial instruments, provisions, revenue or contract liability arising from a contract with a customer); and
- > recognises income immediately in profit or loss as the difference between the initial carrying amount of the asset and the related amount.

If a contract liability is recognised as a related amount above, the Charity recognises income in profit or loss when or as it satisfies its obligations under the contract.

##### *Interest income*

Interest income is recognised using the effective interest method.

All revenue is stated net of the amount of goods and services tax.

#### f. Impairment of Assets

At the end of each reporting period, the Charity reviews the carrying amounts of its tangible and intangible assets to determine whether there is any indication that an asset may be impaired. If such an indication exists, an impairment test is carried out on the asset by comparing the recoverable amount of the asset, being the higher of the asset's fair value less costs of disposal and its value in use, to the asset's carrying amount. Any excess of the asset's carrying amount over its recoverable amount is recognised in profit or loss.

Where it is not possible to estimate the recoverable amount of an individual asset, the Charity estimates the recoverable amount of the cash-generating unit to which the asset belongs.

## NOTES TO THE FINANCIAL STATEMENTS FOR THE YEAR ENDED 30 JUNE 2023

### NOTE 1: SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES

#### **f. Impairment of Assets (continued)**

Where the future economic benefits of the asset are not primarily dependent upon the asset's ability to generate net cash inflows and when the Association would, if deprived of the asset, replace its remaining future economic benefits, value in use is determined as the depreciated replacement cost of an asset.

Where an impairment loss on a revalued asset is identified, this is recognised against the revaluation surplus in respect of the same class of asset to the extent that the impairment loss does not exceed the amount in the revaluation surplus for that class of asset.

#### **g. Critical Accounting Estimates and Judgments**

The committee members evaluate estimates and judgments in the financial report based on historical knowledge and best available information. Estimates assume a reasonable expectation of future events and are based on current trends and economic data, obtained both externally and within the Charity.

The estimate of the useful life of plant and equipment is reviewed at least annually to confirm that the remaining life of material assets is reflected on the asset register. There were no other critical accounting estimates to be considered by the committee during the year or during preparation of this financial report.

The methods of depreciation are used to provide a consistent usage of the useful life of plant and equipment. The methods also allow, where required, for the plant and equipment to be fully written down at a specific point in time such as the end of the lease term. There were no other critical accounting judgments made by the committee members.

#### **h. Cash and Cash Equivalents**

Cash and cash equivalents include cash on hand, deposits held at-call with banks and other short-term highly liquid investments with original maturities of twelve months or less.

#### **i. Trade and Other Receivables**

Trade and other receivables include amounts due from members as well as amounts receivable from other entities. Receivables expected to be collected within twelve months of the end of the reporting year are classified as current assets. All other receivables are classified as non-current assets.

#### **j. Inventories**

Inventories are measured at the lower of cost and net realisable value.

#### **k. Property, Plant and Equipment**

Each class of property, plant and equipment is carried at cost or fair values less, where applicable, accumulated depreciation and impairment losses.

#### ***Leasehold improvements, plant and equipment***

Leasehold improvements, plant and equipment are measured on the cost basis less depreciation and impairment losses.

In the event the carrying amount of plant and equipment is greater than its estimated recoverable amount, the carrying amount is written down immediately to its estimated recoverable amount and impairment losses recognised either in profit or loss or as a revaluation decrease if the impairment losses relate to a revalued asset. A formal assessment of recoverable amount is made when impairment indicators are present (refer to Note 1f for details of impairment).

Leasehold improvements, plant and equipment that have been contributed at no cost, or for nominal cost, are valued at the fair value of the asset at the date it is acquired.

NOTES TO THE FINANCIAL STATEMENTS  
FOR THE YEAR ENDED 30 JUNE 2023

NOTE 1: SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES

k. Property, Plant and Equipment (continued)

Subsequent costs are included in the asset's carrying amount or recognised as a separate asset, as appropriate, only when it is probable that future economic benefits associated with the item will flow to the Charity and the cost of the item can be measured reliably. All other costs are classified as repairs and maintenance and are charged to the Statement of Profit or Loss and Other Comprehensive Income during the financial year in which they are incurred.

Gains and losses on disposals are determined by comparing proceeds with the carrying amount. These gains or losses are included in the Statement of Profit or Loss and Other Comprehensive Income. When revalued assets are sold, amounts included in the revaluation reserve relating to that asset are transferred to retained surplus.

**Depreciation**

The depreciable amount of all fixed assets including leasehold improvements is depreciated on a straight line basis (prime rate) over their useful lives to the Charity commencing from the time the asset is held ready for use. Leasehold improvements are depreciated over either the unexpired year of the lease or the estimated useful lives of the improvements.

The depreciation rates used for each class of depreciable assets are:

<u>Class of Fixed Asset</u>	<u>Depreciation Rate</u>
Leasehold Improvements	2.50% - 10.00%
Furniture and Fittings	3.33% - 25.00%
Gear and Equipment	5.00% - 50.00%

The assets' residual values and useful lives are reviewed, and adjusted if appropriate, at the end of each reporting year.

l. Trade and Other Payables

Trade and other payables represent the liabilities for goods and services received by the Charity during the reporting year that remain unpaid at the end of the reporting year. The balance is recognised as a current liability with the amounts normally paid within thirty days of recognition of the liability.

m. Employee Benefits

**Retirement benefit obligations - superannuation benefits**

All employees of the Charity receive defined contribution superannuation entitlements, for which the Charity pays the fixed superannuation guarantee contribution (during the year 10.5% [11.0% from 01 July 2023] of the employee's ordinary times earnings) to the employee's superannuation fund of choice. All obligations for unpaid superannuation guarantee contributions are measured at the (undiscounted) amounts expected to be paid when the obligation is settled and are presented as trade and other payables under current liabilities in the Statement of Financial Position.

**Short-term employee benefits**

Provision is made for the Charity's obligation for short-term employee benefits. Short-term employee benefits are benefits (other than termination benefits) that are expected to be settled wholly within twelve months after the end of the annual reporting year in which the employees render the related service, including wages, salaries, annual leave and long service leave. Short-term employee benefits are measured at the (undiscounted) amounts expected to be paid when the obligation is settled. The Charity's obligations for short-term employee benefits are presented as trade and other payables under current liabilities in the Statement of Financial Position.

**NOTES TO THE FINANCIAL STATEMENTS**  
**FOR THE YEAR ENDED 30 JUNE 2023****NOTE 1: SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES****m. Employee Benefits (continued)*****Long-term employee benefits***

The Charity only classifies employees' long service leave entitlements as long-term employee benefits as they are not expected to be settled wholly within twelve months after the end of the annual reporting year in which the employees render the related service. Provision is made for the Charity's obligation for long-term employee benefits, which are measured at the present value of the expected future payments to be made to employees. Expected future payments incorporate anticipated future wage and salary levels, durations of service and employee departures, and are discounted at rates determined by reference to market yields at the end of the reporting year on government bonds that have maturity dates that approximate the terms of the obligations. Upon the remeasurement of obligations for long-term employee benefits, the net change in the obligation is recognised in profit or loss classified under employee benefits expense.

The Charity's obligations for long-term employee benefits are presented as provisions under non-current liabilities in the Statement of Financial Position, except where the Charity does not have an unconditional right to defer settlement for at least twelve months after the end of the reporting year, in which case the obligations are presented as trade and other payables under current liabilities in the Statement of Financial Position.

**n. Provisions**

Provisions are recognised when the Charity has a legal or constructive obligation, as a result of past events, for which it is probable that an outflow of economic benefits will result and that outflow can be reliably measured. Provisions recognised represent the best estimate of the amounts required to settle the obligation at the end of the reporting year.

**o. Leases*****The Charity as lessee***

At inception of a contract, the Charity would assess if the contract contains or is a lease. If there is a lease present, a right-of-use asset and a corresponding lease liability is recognised by the Charity where the Charity is a lessee. However, all contracts that are classified as short-term leases (i.e. a lease with a remaining lease term of twelve months or less), leases of low-value assets and concessionary (peppercorn) leases are recognised as an operating expense on a straight-line basis over the term of the lease.

***Concessionary leases***

For leases that have significantly below-market terms and conditions principally to enable the Charity to further its objectives (also referred to as peppercorn leases), the Charity has adopted the temporary relief under AASB 2018-8 and measures the right-of-use assets at cost on initial recognition.

The Charity is dependent on this lease to further its objectives. Without this concessionary lease, it would be unlikely for the Charity to provide surf life saving services.

***The Charity as lessor***

The Charity leases a portion of the building to the Kurrawa S.L.S.C. Supporters Charity Inc.

Rental income received from the operating lease is recognised on a straight-line basis over the term of the lease.

**p. Financial Instruments*****Initial recognition and measurement***

Financial assets and financial liabilities are recognised when the Charity becomes a party to the contractual provisions to the instrument. For financial assets, this is equivalent to the date that the Charity commits itself to either purchase or sell the asset (i.e. trade date accounting is adopted). Financial instruments are initially measured at fair value plus transactions costs except where the instrument is classified "at fair value through profit or loss" in which case transaction costs are recognised immediately as expenses in profit or loss.

KURRAWA SURF LIFE SAVING CLUB INC  
IA 2239 CP 1394 ABN 36 275 406 288

## NOTES TO THE FINANCIAL STATEMENTS FOR THE YEAR ENDED 30 JUNE 2023

### NOTE 1: SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES

#### p. Financial Instruments (continued)

##### ***Classification and subsequent measurement***

Financial instruments are subsequently measured at fair value, amortised cost using the effective interest method, or cost. Where available, quoted prices in an active market are used to determine fair value. In other circumstances, valuation techniques are adopted.

##### ***Loans and receivables***

Loans and receivables are non-derivative financial assets with fixed or determinable payments that are not quoted in an active market and are subsequently measured at amortised cost. Gains or losses are recognised in profit or loss through the amortisation process and when the financial asset is derecognised.

##### ***Financial liabilities***

Non-derivative financial liabilities other than financial guarantees are subsequently measured at amortised cost. Gains or losses are recognised in profit or loss through the amortisation process and when the financial liability is derecognised.

##### ***Impairment***

At the end of each reporting year, the Charity assesses whether there is objective evidence that a financial asset has been impaired. A financial asset or a group of financial assets is deemed to be impaired if, and only if, there is objective evidence that impairment as a result of one or more events (a "loss event") has occurred, which has an impact on the estimated future cash flows of the financial asset/s.

#### q. New and Amended Accounting Standards Adopted by the Charity

##### ***AASB 2022-3: Amendments to Australian Accounting Standards – Illustrative Examples for Not-for-Profit Entities accompanying AASB 15***

AASB 2022-3 amends the Australian illustrative examples for not-for-profit entities accompanying AASB 15: *Revenue from Contracts with Customers* to illustrate how AASB 15 applies to the recognition and measurement of upfront fees. The amendments do not change the requirements of AASB 15.

The Basis for Conclusions also document the Board's decision to retain the accounting policy choice on an ongoing basis for NFP private sector lessees to elect to initially measure a class of ROU assets arising under concessionary leases at cost or at fair value.

The adoption of the amendment did not have a material impact on the financial statements.

##### ***AASB 2020-3: Amendments to Australian Accounting Standards – Annual Improvements 2018–2020 and Other Amendments.***

The Charity adopted AASB 2020-3 which makes some small amendments to a number of standards including the following: AASB 1, AASB 3, AASB 9, AASB 116, AASB 137 and AASB 141.

The adoption of the amendment did not have a material impact on the financial statements.

##### ***AASB 2020-7a: Amendments to Australian Accounting Standards – Effective Date of Amendments to AASB 10 and AASB 128 and Editorial Corrections.***

AASB 2020-7a makes various editorial corrections to a number of standards effective for reporting periods beginning on or after 1 January 2022. The adoption of the amendment did not have a material impact on the financial statements.

<b>Total Trade and Other Receivables</b>		<b>61,794.11</b>	<b>82,441.21</b>

### Donations Agreement

The Kurrawa S.L.S.C. Supporters Association Inc has agreed to donate approximately \$90,000 per month to directly assist the club to meet the loan repayments to the Westpac Banking Corporation. The term of the agreement is 'until loans are fully repaid'.

### Operating Lease Receivable

The Kurrawa S.L.S.C. Supporters Association Inc provides a rental income to the club pursuant to the sub-lease agreement that expires on 29 June 2036. The annual lease amount is considered 'commercial-in-confidence' although it does increase by a fixed amount of 2.5% on each anniversary date. Due to the nature of the agreement no amount has been recognised as a receivable as it will be recognised as revenue when invoiced. Unpaid rental payments are recognised as a current receivable.

<b>Total Current and Non Current Borrowings:</b>			
Credit card		3,016.46	739.22
Loan from related party	11a	2,800,693.50	3,043,790.17
Bank loans	11b	3,831,388.28	4,401,148.96
<b>Total Borrowings</b>		<b>6,635,098.24</b>	<b>7,445,678.35</b>

a. The Charity has a loan facility of up to \$8,500,000 with the Kurrawa S.L.S.C. Supporters Association Inc to fund the new building and to assist in the repayment of the bank loans described above. The loan taken is non-recourse interest free loan which will be repaid as specified in the loan agreement. The loan has been disclosed as a current and a non-current loan.

b. The bank loans comprise of two loans, for \$6,000,000 and for \$2,000,000, both being principal and interest. The loan facilities expire on 27 February 2028. Accordingly, the principal and interest loans have been disclosed as a current and a non-current loan. Further, the Charity has \$752,022 available for redraw if required.

A loan covenant exists over the loans which requires the 'Debt Service Cover ratio of the Kurrawa Surf Life Saving Club Inc and the Kurrawa S.L.S.C. Supporters Association Inc is at all times not less than 1.25 times where the Debt Service Cover = (EBITDA less tax divided by gross interest plus twelve months principal payments plus line fees). The loan covenant is reviewed on a monthly basis and no breach of the covenant has been identified during the financial year or to the date of this financial report.

Westpac Banking Corporation holds the following securities over the loans:

- > Mortgage over lease held by the Charity;
- > Supported debt and interest held by Kurrawa S.L.S.C. Supporters Association Inc;
- > Mortgage over lease held by Kurrawa S.L.S.C. Supporters Association Inc; and
- > PFG-Tri-partite Agreement (builders Deed) held by the Charity.

KURRAWA SURF LIFE SAVING CLUB INC

## NOTES TO THE FINANCIAL STATEMENTS FOR THE YEAR ENDED 30 JUNE 2023

	Note	2023 \$	2022 \$
<b>NOTE 12: PROVISIONS</b>			
<b>Non Current Provisions</b>			
Employee benefits	12a	5,893.66	5,622.11
Employee on-costs		707.24	646.54
<b>Total Non Current Provisions</b>		<b>6,600.90</b>	<b>6,268.65</b>

a. Provision for employee benefits represents amounts accrued for long service leave. The non-current provision represents amounts accrued for long service leave entitlements that have not yet vested in relation to those employees who have not yet completed the required period of service. In calculating the present value of future cash flows in respect of long service leave, the probability of long service leave being taken is based upon probability as no historical data is available. The measurement and recognition criteria for employee benefits have been disclosed in Note 1m.

### b. Movements in Provisions

Balance at the beginning of year		6,268.65	18,257.38
Additional provisions raised/(used) during the year		332.25	39.27
Amounts used, cancelled or transferred to current liability		-	(12,028.00)
<b>Carrying amount at the end of year</b>		<b>6,600.90</b>	<b>6,268.65</b>

## NOTE 13: CAPITAL AND FINANCING COMMITMENTS

### Capital expenditure commitments

The Charity has entered into an agreement for project management services for the amount of \$58,850.00 including GST of which \$5,885.00 including GST has been paid in the year ended 30 June 2023. The project management services are to oversee the design and construction works to ensure that they are carried out in accordance with Charity's brief and expectations.

There were no other commitments for capital expenditure.

### Hire Purchase / Chattel Mortgage Commitments

At the end of the financial year there were no hire purchase or chattel mortgage commitments.

## NOTE 14: LEASES

### Lease amounts recognised in the statement of profit or loss

Low-value (peppercorn) lease payments	21,060.07	-
---------------------------------------	-----------	---

The Charity has a 'peppercorn lease' with variable lease payments from the Gold Coast City Council for the property on Old Burleigh Road, Broadbeach. The lease amount is determined by the Gold Coast City Council and calculated on the annual liquor purchases by the tenant, Kurrawa S.L.S.C. Supporters Association Inc. Therefore, future lease costs cannot be accurately determined. The lease expires on 30 June 2036.

## NOTE 15: CONTINGENT LIABILITIES AND ASSETS

There are no contingent liabilities or assets that may become payable or receivable by the Kurrawa Surf Life Saving Club Inc requiring disclosure in the financial report.

## NOTE 16: CHARITY DETAILS

The registered office and principal place of business of the Charity is:

Kurrawa Surf Life Saving Club Inc  
Old Burleigh Road, Broadbeach QLD 4218

Email: [Info@kurrawasurf.com.au](mailto:Info@kurrawasurf.com.au)

## NOTE 17: AUDITOR'S REMUNERATION

Remuneration of the auditor:

Auditing the financial report	6,000.00	3,000.00
-------------------------------	----------	----------

KURRAWA SURF LIFE SAVING CLUB INC  
IA 2239 CP 1394 ABN 36 275 406 288

## NOTES TO THE FINANCIAL STATEMENTS FOR THE YEAR ENDED 30 JUNE 2023

Note	2023 \$	2022 \$
------	------------	------------

### NOTE 18: HUMAN RESOURCES

At the end of the financial year the number of employees and volunteers engaged by the Charity were as follows:

Full-time employees	3	4
Part-time employees	3	2
Casual employees	2	1
Volunteers	434	424

### NOTE 19: FINANCIAL RISK MANAGEMENT

The Charity's financial instruments consist mainly of deposits with banks, local money market instruments, short-term investments, accounts receivable and payable, and leases.

The carrying amounts for each category of financial instruments, measured in accordance with AASB 139 as detailed in the accounting policies to these financial statements, are as follows:

#### Financial Assets

Cash and cash equivalents	5	76,387.63	52,486.98
Trade and other receivables	6	61,794.11	82,441.21
<b>Total Financial Assets</b>		<b>138,181.74</b>	<b>134,928.19</b>

#### Financial Liabilities

Trade and other payables	10	32,208.43	30,893.51
Borrowings	11	6,635,098.24	7,445,678.35
<b>Total Financial Liabilities</b>		<b>6,667,306.67</b>	<b>7,476,571.86</b>

### NOTE 20: GOING CONCERN

#### Current asset ratio

The financial report has been prepared on the going concern basis of accounting. The Current Asset Ratio (current assets : current liabilities) was 0.21 to 1.00 as at 30 June 2023 (as at 30 June 2022: 0.21 to 1.00). This is due to the construction of the new club which has been financed and a portion of the loan is disclosed as a current liability.

There is a 'donations agreement' in place and details are disclosed in Note 6. Further, an amount of \$752,022 is available for redraw if required for operational purposes, refer Note 11b.

The ability of Kurrawa Surf Life Saving Club Inc to realise its assets and extinguish its liabilities in the normal course of business and at the amounts stated in the financial report is contingent on the Kurrawa S.L.S.C. Supporters Club Inc providing sufficient funds to cover operational, investing and financing requirements.

At the date of this financial report, the committee of the Kurrawa Surf Life Saving Club Inc believes the Charity will be able to pay all of its debts as and when they become due and payable.

### NOTE 21: KEY MANAGEMENT PERSONNEL COMPENSATION

Any person(s) having authority and responsibility for planning, directing and controlling the activities of the Charity, directly or indirectly, including any committee member (whether executive or otherwise) of the Charity is considered key management personnel (KMP).

The totals of remuneration paid to KMP's of the Charity during the year are as follows:

Amounts paid by the club to KMP's for remuneration	-	2,200.00
--	---	----------

No KMP has entered into a material contract with the Charity since the end of the previous financial year. KMP's may obtain membership and may also obtain other services and benefits from the Charity on terms and conditions no more favourable than those available to other members and, if so, were immaterial in nature and amount.

## NOTES TO THE FINANCIAL STATEMENTS FOR THE YEAR ENDED 30 JUNE 2023

Note	2023 \$	2022 \$
------	------------	------------

### NOTE 22: RELATED PARTY TRANSACTIONS

Other related parties include close family members of KMP's and entities that are controlled or jointly controlled by those KMP's individually or collectively with their close family members.

Amounts paid by the club to related parties of KMP's during the year for goods and/or services		15,816.46	3,658.85
Amounts paid by the club to Kurrawa S.L.S.C. Supporters Association Inc during the year for goods and/or services		423,994.22	92,380.23
Amounts received by the club from Kurrawa S.L.S.C. Supporters Association Inc during the year for rent		159,563.72	39,398.43
Amounts received by the club from Kurrawa S.L.S.C. Supporters Association Inc during the year for donations		1,803,347.09	513,889.00
Loan amounts received by the club from Kurrawa S.L.S.C. Supporters Association Inc	11	6,903.33	-
Loan amounts repaid by the club to Kurrawa S.L.S.C. Supporters Association Inc	11	250,000.00	-

Transactions between related parties are on normal commercial terms and conditions no more favourable than those available to other persons unless otherwise stated.

### NOTE 23: EVENTS AFTER THE BALANCE DATE

No events have occurred subsequent to balance date which require disclosure in this report.

KURRAWA SURF LIFE SAVING CLUB INC  
IA 2239 CP 1394 ABN 36 275 406 288

## DECLARATION BY MEMBERS OF THE COMMITTEE

The members of the committee declare that the financial report, comprising of Statement of Profit or Loss and Other Comprehensive Income, Statement of Changes in Charity's Funds, Statement of Financial Position, Statement of Cash Flows and Notes to the Financial Statements:

1. Presents a true and fair view of the financial position of Kurrawa Surf Life Saving Club Inc as at 30 June 2023 and its performance for the year ended on that date in accordance with Australian Accounting Standards (including Australian Accounting Interpretations) of the Australian Accounting Standards Board and the *Australian Charities and Not-for-profits Commission Act 2012* (Cth).
2. At the date of this statement, there are reasonable grounds to believe that Kurrawa Surf Life Saving Club Inc will be able to pay all of its debts as and when they become due and payable.
3. The financial statements and notes satisfy the requirements of the *Australian Charities and Not-for-profits Commission Regulations 2022* (Cth).

This declaration is made in accordance with a resolution of the committee and is signed for and on behalf of the committee by:

**Ian McKinnon**  
**President**

**Adam Pine**

**INDEPENDENT AUDITOR'S REPORT  
TO THE MEMBERS OF  
KURRAWA SURF LIFE SAVING CLUB INC  
IA 2239 CP 1394 ABN 36 275 406 288**

**Report on the Audit of the Financial Report**

***Opinion***

We have audited the accompanying financial report of Kurrawa Surf Life Saving Club Inc (the Charity), which comprises the Statement of Financial Position as at 30 June 2023 and the Statement of Profit or Loss and Other Comprehensive Income, Statement of Changes in Charity's Funds and Statement of Cash Flows for the year ended, notes comprising a summary of significant accounting policies and other explanatory information and the Declaration by Members of the Committee.

In our opinion, the accompanying financial report of Kurrawa Surf Life Saving Club Inc is in accordance with Division 60 of the *Australian Charities and Not-for-profits Commission Act 2012* (Cth) (the ACNC Act), including:

- i. giving a true and fair view of the Charity's financial position as at 30 June 2023 and of its financial performance for the year then ended; and
- ii. complying with Australian Accounting Standards – AASB 1060: *General Purpose Financial Statements – Simplified Disclosures for For-Profit and Not-for-Profit Tier 2 Entities* and Division 60 of *Australian Charities and Not-for-profits Commission Regulation 2022* (Cth).

***Basis for Opinion***

We conducted our audit in accordance with Australian Auditing Standards. Our responsibilities under those standards are further described in the *Auditor's Responsibilities for the Audit of the Financial Report* section of our report. We are independent of the Charity in accordance with the ACNC Act, the ethical requirements of the Accounting Professional and Ethical Standards Board's APES 110: *Code of Ethics for Professional Accountants (including Independence Standards)* (the Code) that are relevant to our audit of the financial report in Australia. We have also fulfilled our other ethical responsibilities in accordance with the Code.

We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our opinion.

***Emphasis of Matter***

Our opinion is not qualified in respect to the following matter:

We draw your attention to Note 20 to the financial statements which details the Committee Members decision to prepare the report in accordance with the going concern assumption. In making the assumption, the Committee Members have considered the economic dependence to be provided by the Kurrawa S.L.S.C. Supporters Club Inc which will be received progressively from 01 July 2023.

***Information Other than the Financial Report and Auditor's Report Thereon***

The Committee of the Charity is responsible for the other information. The other information comprises the information included in the Charity's annual report for the year ended 30 April 2023, but does not include the financial report and our auditor's report thereon. Our opinion on the financial report does not cover the other information and accordingly we do not express any form of assurance conclusion thereon. In connection with our audit of the financial report, our responsibility is to read the other information and, in doing so, consider whether the other information is materially inconsistent with the financial report or our knowledge obtained in the audit or otherwise appears to be materially misstated. If, based on the work we have performed, we conclude that there is a material misstatement of this other information, we are required to report that fact. We have nothing to report in this regard.

***Responsibilities of the Committee for the Financial Report***

The Committee of the Charity is responsible for the preparation of the financial report that gives a true and fair view in accordance with Australian Accounting Standards – AASB 1060: *General Purpose Financial Statements – Simplified Disclosures for For-Profit and Not-for-Profit Tier 2 Entities* and the ACNC Act and for such internal control as the Committee determine is necessary to enable the preparation of the financial report that gives a true and fair view and is free from material misstatement, whether due to fraud or error.

In preparing the financial report, the Committee is responsible for assessing the ability of the Charity to continue as a going concern, disclosing, as applicable, matters related to going concern and using the going concern basis of accounting unless the Committee either intend to liquidate the Charity or to cease operations, or have no realistic alternative but to do so.

***Auditor's Responsibilities for the Audit of the Financial Report***

Our objectives are to obtain reasonable assurance about whether the financial report as a whole is free from material misstatement, whether due to fraud or error, and to issue an auditor's report that includes our opinion. Reasonable assurance is a high level of assurance, but is not a guarantee that an audit conducted in accordance with the Australian Auditing Standards will always detect a material misstatement when it exists. Misstatements can arise from fraud or error and are considered material if, individually or in the aggregate, they could reasonably be expected to influence the economic decisions of users taken on the basis of this financial report.

As part of an audit in accordance with the Australian Auditing Standards, we exercise professional judgement and maintain professional scepticism throughout the audit. We also:

- Obtain an understanding of internal control relevant to the audit in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of the Charity's internal control.
- Evaluate the appropriateness of accounting policies used and the reasonableness of accounting estimates and related disclosures made by the Committee.
- Evaluate the overall presentation, structure and content of the financial report, including the disclosures, and whether the financial report represents the underlying transactions and events in a manner that achieves fair presentation.

**INDEPENDENT AUDITOR'S REPORT  
TO THE MEMBERS OF  
KURRAWA SURF LIFE SAVING CLUB INC  
IA 2239 CP 1394 ABN 36 275 406 288  
(continued)**

- Identify and assess the risks of material misstatement of the financial report, whether due to fraud or error, design and perform audit procedures responsive to those risks, and obtain audit evidence that is sufficient and appropriate to provide a basis for our opinion. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control.
- Conclude on the appropriateness of the Committee's use of the going concern basis of accounting and, based on the audit evidence obtained, whether a material uncertainty exists related to events or conditions that may cast significant doubt on the Charity's ability to continue as a going concern. If we conclude that a material uncertainty exists, we are required to draw attention in our auditor's report to the related disclosures in the financial report or, if such disclosures are inadequate, to modify our opinion. Our conclusions are based on the audit evidence obtained up to the date of our auditor's report. However, future events or conditions may cause the Charity to cease to continue as a going concern.

We communicate with the Committee regarding, among other matters, the planned scope and timing of the audit and significant audit findings, including any significant deficiencies in internal control that we identify during our audit.

We also provide the Committee with a statement that we have complied with relevant ethical requirements regarding independence, and to communicate with them all relationships and other matters that may reasonably be thought to bear on our independence, and where applicable, related safeguards.

## VALE - ROSLYN CLARE DALE

06/05/1956 - 14/07/2022

Bronze No. Q30980

Ros joined Kurrawa SLSC on 3rd September 1995 and gained her Bronze Medallion shortly after on 19th November 1995.

Not only did Ros complete over 500 volunteer patrol hours throughout her lifesaving career at Kurrawa she was also involved in March Past as a member of the Kurrawa Krystals, the Ladies March Past team and later marched with the Kurrawa March Past team post Krystals with success at Branch and State level.

In June 2022 Ros was awarded a 25 Years Long Service award.

Sincere condolences from all at Kurrawa Surf Life Saving Club are sent to Ros' immediate and extended family on her passing.

## VALE- BABS HAYES

01/11/1946 - 29/01/2023

Bronze No. N47161

Kurrawa Long Service member Babs Hayes gained her Bronze Medallion on 28th April 1985 at North Narabeen Surf Life Saving Club, where she also held her ROC, FAC and ARC awards. Babs was a dedicated lifesaving member as well as holding committee positions at North Narrabeen from 1980 until 1994.

Along with her husband and son, Babs joined Kurrawa Surf Life Saving Club on 8th January 1995 and gained the following awards: SMFA, ARC, RC (CPR) and ROC. She was a March Past Coach and a member of the inaugural Kurrawa Ladies March Past team, the Kurrawa Krystals. She also represented Kurrawa as an official at carnivals for several years.

Sincere condolences from all at Kurrawa Surf Life Saving Club are sent to Babs' immediate and extended family on her passing.

## VALE - MERVYN KINGSLEY SMITH

06/06/1938 - 28/03/2023

Bronze No. Q1621

Merv Smith obtained his Bronze Medallion in the first squad held at the Police Youth Lennons Broadbeach Surf Life Saving Club on 2nd November 1958. The club officially changed its name to Lennons Broadbeach Surf Life Saving Club in 1959, then in 1961 Merv Smith 2nd the motion to change the name to Kurrawa Surf Life Saving Club.

Merv Smith loved lifesaving and held many positions on the committee ie. vice Captain, Club Captain 2 years, Deputy President 6 years, Training Officer, Finance committee and Building committee. The official constitution was drawn up by Merv Smith and former Secretary Ron Fox. Merv was also a Bronze Instructor and Assessor.

Sincere condolences from all at Kurrawa Surf Life Saving Club are sent to Merv's immediate and extended family on his passing.

## VALE - KELLY LETIA ROGERS

31/03/1979- 14/07/2022

Bronze No. Q28722

Kelly's surf lifesaving career started as a nipper at Currumbin.

Kelly made the move to Tugun SLSC where she obtained her Bronze Medallion and IRB Crewman's in May 1994.

In the 1996/97 season, Kelly become the Vice Club Captain at Currumbin SLSC- being the first female and youngest member to ever hold the position.

Throughout her time as a volunteer surf life saver Kelly completed over 400 volunteer patrol hours on the beach and completed many awards.

Joining Kurrawa SLSC in 2006 she was involved as a keen IRB competitor winning many medals with our IRB Team and when she wasn't competing or training for IRBs, she was volunteering her time with the Nippers as an Age Manager and in the Red and Yellow patrolling our beach.

Kelly's favourite IRB race was the Open Female Teams race, winning this at the 2008 Australian IRB Championships.

Our long time IRB Coach, Scott Wheeler and Kelly were engaged in Hawaii in 2018 and went on to have two beautiful daughters, Ella (2009) and Asha (2011) who have grown up around Kurrawa SLSC and are following in their parent's surf lifesaving footsteps.

Kelly was awarded a SLSQ 25 Years Long Service Award in 2021 and at the end of the 2022/2023 nippers season in Kelly's honour, the Kurrawa SLSC Junior Activities Committee introduced the Kelly Rogers Bravery Award to recognise our junior's bravery and determination throughout the season.

Our sincere condolences go out to Scott, Ella, Asha, and all of Kelly's immediate and extended family and friends on her passing.
